Just a FYI, I haven't heard anything about detailers other than this. I guess we'll see how the chain of command decides to support Vegas.

(b)(6);(b) been out sick the last two days. I will be in the office tomorrow. I have projected the need for about 40 officers, but we will see what we can come up with locally between ERO and HSI, then see what we can get for detailers. Our DFODs want LVG to provide 200 good targets, and we are on track for that. To be able to hit 40 targets each day + the collateral arrests, we will need a number of arrest teams, 3 roving transport vans, and a processing team.

I should be able to figure out our need for detailers by Thursday at the latest.

I wouldn't be surprised if this gets pushed back due to (b)(6);(b)

Need travel requests for AOR as one package and I will get it sent up for approval. The sooner you can get this back to me the better.

Sir,

AOR's will not be expected to pay from their local funding... Submit your travel request and justification to HQ and it will be approved on a case by case basis...

Any info on funding strings for travel or will this be coming out of local budgets?
